

COMMUNITY CHAPLAINCY

The Wantage and Abingdon Methodist Circuit invites applications for a new post of Community Chaplain (working 8-16 hours per week, to be agreed with the successful applicant).

This is an exciting opportunity to join our existing Community Chaplaincy Team and be part of an innovative and focussed expression of ministry.

We are delighted to be expanding our work based at Great Western Park in Didcot to now cover the new housing developments in Wantage and Grove.

The successful applicant will work with and alongside, our existing chaplains to be a Christian presence and act as a chaplain to those who live, work and play in these areas of new housing.

The chaplain will be supported by the Methodist Church and will use a converted motor home as a mobile base.

The successful applicant will be undertaking pioneering work, in collaboration with other Community Chaplains as well as ecumenical partners and will seek to develop the chaplaincy, expand the work and approach and inspire others to become volunteer chaplains.

It is an occupational requirement for the person appointed to be a professing and practising Christian (Equality Act 2010.)

Enhanced DBS and references will be required.

For more details and an application pack, please contact:
