## ▶▶ GETTING INTO THE ACTIVITY

Head out on a family walk around your local area to explore the colourful Christmas illuminations. Can you find all the items on the Christmas lights checklist?

Make sure you are wrapped up warm and dressed for the weather. You'll also want a torch with you to help you see your checklist.

Head out on a family walk, hunting for houses with colourful Christmas light displays. It is recommended that you think about a suitable route beforehand, where there are a good number of houses or shops with Christmas lights on display. Where possible, choose a route away from busy roads and hazards.

How many items on the checklist can you find? Can you find them all? Try to keep a tally of how many of each item you see on your travels. Which Christmas object is the most popular in your local area? Can you find a house which is covered top to bottom in Christmas lights?

Have fun on your travels and enjoy getting into the Christmas spirit. Take some photos along the way and share your photos with your BB group or post on social media using #BBatHOME.
