From the Manse.....

By the time you read this newsletter, the result of the Europa League Cup Final played between Manchester United and Tottenham Hotspur in the San Mames Stadium on 21st May in Bilbao will be known.

Both teams saw this final as being a way in which they could salvage something out of what, by their standards, has been a very poor and disappointing season. To lift the trophy as winners would mark some kind of success for them as well as achieving the prize of being able to play in the Champions League next season.

This prompted me to ponder and reflect as to how we mark or judge success. Is it simply about being the best, being the winner, or having the most?

Can success be measured by using either qualitative or quantitative methods?

In the run up to our half marathon, numerous posts of the LLHM Facebook page reminded those taking part that it doesn't matter what time you finish in, whether under two hours or four hours, for when you cross that finishing line, you will still have done it!

There has been much discussion and debate as to how effective OFSTED inspections are when it comes to judging the performances of Schools and as to whether they are successful or not. Can league tables ever give a true picture of what is happening or going on?

I've often wondered what would happen if there were church versions of OFSTED inspections?! How do you think we would fare if they came and spent some time with us and what kind of judgement would they give?

What criteria would you have to meet in order to be seen or described as being a successful church anyhow? Would it be the size of a congregation, the church's impact in the local community, how much is given each week, or the number of activities taking place?

Of course, no church can ever be perfect, because we are not. We seek to do our best as God's people, but we are fallible, flawed and prone to getting it wrong, but I don't think that God is asking us to perfect, to be the best at everything, to be successful in that sense but rather God is simply asking us to be faithful.

With love and God bless

Keith

The Methodist Church welcomes Pope Leo XIV's election, and we offer our prayers for his papacy.

Methodist people cherish our place in the worldwide church, and our relationships with the Roman Catholic Church at local, national and international levels. We look forward to ever more opportunities to share with our Catholic siblings in the mission of the Church. We pray that all church leaders listen to the voices of the poor and the oppressed, and speak out for justice, as we share God's love.

The Methodist Church and Hope Together launch Try Pilgrimage

Try Pilgrimage is a website that offers resources for individuals and churches to host local pilgrimages. It was inspired by the catholic year of Jubilee theme for 2025, "Pilgrims of Hope".

Try Pilgrimage and its resources are designed for individuals who may not have experienced pilgrimage before and are looking for a gentle introduction. There are two main pathways available on the site: one for churches and Christians interested in hosting a pilgrimage, and another for those who want to try a pilgrimage for themselves. All resources are available for free download.

Try Pilgrimage encourages Christians and non-Christians to embark on a unique journey to discover people, make new experiences and engage with their community. The website shares existing pilgrimage routes but also enables members of the public to step out of their comfort zone, create their own pilgrimages and share them on the website.

Interest in spiritual walking is at an all-time high, largely due to the BBC series "Pilgrimage" which encouraged many individuals to explore famous routes like the Camino, also known as the Way of St James going to Santiago de Compostella. However, Great Britain also offers numerous local pilgrimages that allow for a deeper engagement with the community.

Try Pilgrimage incorporates the 2023 BBC series as part of its "fuel for the journey." It offers a free downloadable discussion resource based on the program, which is suitable for both groups and individuals. Eryl Parry, the Pioneer Priest from the Diocese of Bangor, who appears in the first episode, shared her insights with us and created a series of short videos to help people understand and fully appreciate the experience of pilgrimage.

A pilgrimage can be on foot, by bike, by bus and even in a chair! Inclusion and accessibility are key to the project. Try Pilgrimage steps outside traditional pilgrimages and invites people to create transformative experiences with their community, online with a virtual prayer walk or with special activities to engage children.

Sustainable Wantage – more...

We are continuing to give a focus on Sustainable Wantage and this time focusing on the Market Garden.

Set in the grounds of [The Wantage Community Support Service](#) (previously The Charlton Centre), the Market Garden is a partnership between Sustainable Wantage, [Style Acre](#) & Oxfordshire County Council (OCC).

Style Acre and OCC are providing opportunities for people with learning disabilities from across South Oxfordshire to develop new skills and enjoy gardening. The garden is a closed site giving it a quiet and peaceful atmosphere. It has wide paths which are accessible for people with reduced mobility and it has an accessible compost toilet.

The Market Garden is a tranquil and beautiful place where members of the community are able to learn how to grow fruit and vegetables in a sustainable and attractive way. We have 2 polytunnels, a greenhouse and cold frame, an orchard area, low and raised beds, and the 'World of mint' which shows off almost 30 different varieties of this wonderful plant. A primary objective is to increase the biodiversity of the garden. To this end we maintain a small pond, a pallet bug house, multiple bird feeders and a large area of pollinator friendly flowers. Regular visitors are hedgehogs, frogs, bats, moths, butterflies, and bees.

The Market Garden is a fantastic place just to slow down and connect with nature. It is also a great space for community activities; look out for our Spring and Autumn Open Days! If you would like to help, Sustainable Wantage work parties usually meet at the garden on Sundays 2-4pm.

Our gardening volunteers enjoy the rewards of surplus veg, good conversation and excellent cake! Please contact us if you are interested in helping out and visit our [Facebook page](#) for the latest news.

A personal note from Helen Carter. I went to the garden for a Tai Chi session recently, and it was such a peaceful experience. I can thoroughly recommend taking any opportunity to visit there – and if you feel able to offer your time as a volunteer.

Spring is the season to declutter and support a good cause

If you don't know what to do with all those items lurking in drawers and cupboards, and listed in the flyer, please consider donating them to Macmillan Cancer Support.

Alison Brown, Janine and I have accepted a new challenge, the Macmillan Mighty Hike. We wanted to support all our family members and friends who are currently fighting cancer, and challenge ourselves to get moving again.

We have to raise a minimum of £250 each this time, but we can help that along by collecting items to recycle. Hopefully some of you are like us and have lots of odds and ends lying around because you don't know how to get rid of them ethically. The items don't have to be in working order and currency can be from any country even if out of circulation. The stamps option really is as stated – you can just take the stamps off any post you receive and donate them, as long as you make sure the stamp itself is not damaged. I have checked with the organization and Kindles count as tablet computers for the purpose of recycling. Otherwise, only listed items can be accepted.

There will be a large white collection sack to put them in, or you can just give them to Alison Brown or myself. All contributions will be gratefully received.

Poem

Look for the good in everyone
No matter how it be,
Scan every erring, human son
With eyes of charity

No matter what his mask may be;
Search for the good – Behind
It may at first be hard to see;
But “Seek and ye shall find!”

‘tis by this means that discord mends
And enmities grow less.
It is the way to make true friends;
And friends bring - happiness.

Peer with the eyes of love on man!
Beneath his cloak and hood
Of faults and whims, you always can
Find something that is good!

Judge not in hate or haste undue;
Be neither proud nor cold.
Each kindly thought comes back to
you,
And pays you many fold!

‘Tis by this means that hatred ends,
And joys pour in to bless,
It is the way to make true friends
And friends bring real success.

Wantage & Grove Street Pastors

Quarterly News April 2025

Firstly, congratulations to Karen Smith - whom you may know from the Loyd Lyndsay Rooms. Karen is the new Landlord of King Alfred's Head in Wantage. And what a lovely job she's done on refurbishing the pub, both inside and out - looking really good! Welcome to Wantage Karen - we hope you're really successful.

As a teenager, I remember a couple in my church who got baptised. There was lots of joy and celebration as they emerged out of the water. They went off to get changed out of their wet clothes and came back wearing T-shirts that said, "UNDER NEW MANAGEMENT" - Brilliant! Three words that so simply convey what it is to be a Christian - "my life is now under Christ's new management".

As Christians, this 'new management' also leads to 'refurbishments' in our lives. Firstly on the inside, as we surrender our lives to Jesus' Lordship. And then on the outside as people begin to notice the changes that have taken place on the inside. Part of these 'outward refurbishments' are the acts of service and good deeds that are integral to Christian Faith. Galatians Ch 2 v 20 says,

"I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me".

And Matthew Ch 5 v 6 says,

"...let your light shine before others, that they may see your good deeds and glorify your Father in heaven".

We have over 40 people volunteering in different ways - all with the purpose of helping people, serving God and ultimately glorifying our Father God. Keep up the good work / Why not join us?

How we helped on the streets

Many of our patrols at the beginning of the year have been quiet and peaceful - and this we expect, in part due to cold and wet weather, some people reigning in the excesses of Christmas and New Year celebrations, or perhaps not having enough money to go out.

One cold night, a man approached us who wasn't wearing any shoes! He said that he had come out without shoes so he could feel more connected to the earth but was somewhat regretting his decision. Of course, we gave him a pair of flip-flops - for which he was extremely grateful.

One of our afternoon patrols helped to disperse a large group of youngsters who had gathered outside Sainsbury's. The Street Pastors chatted to the young people and were able to encourage them to slowly move on.

In April our afternoon patrol was joined by Daniel Courteney, Community Safety Problem Solving Officer for Oxford City Council. Oxford City Council recently granted us some funding and were keen to see what we do to see if similar patrols might be

useful in parts of Oxford. If you would like to join us as an observer sometime – do send us an email.

For more information about how we helped on the streets, visit our Reports page on our website.

Thank You Su

Thank you to Su Wilkinson who offered to knit us some woolly hats and gloves for us to give out to anyone who needs them on the streets. In fact, we handed out one of Su's hats the very first weekend she gave them to us. We met a man in Wantage on a cold night. He just straight out asked if we had a hat that he could have.

Perfect timing!

Mission Accomplished!

...and it was a mission!

Way back at our AGM in October 2020, our members agreed to go ahead with changing our charitable status to become a Charitable Incorporated Organisation (CIO). Three years later, on 6 November 2023, Wantage and Grove Street Pastors was registered as a CIO with the Charity Commission (Charity Number 1205598).

Since that time the Trustees have set about transferring assets and employees, and updating documents, resources and publicity materials.

Special thanks go to Steve West and Michael Elliott, our Treasurer, who have undertaken much of this work.

The final step will be to close the old charity (number 1134429). We expect this to take place later this year.

Previously, as an Association of Members we had a membership who had voting rights. As a CIO, the members are the Trustees, but we don't want to lose touch with our previous members - but what will we call them!!!? Supporters? Friends? Partners? Well, we've chosen to call them 'Friends'. Hello friend! ♥

Prayer Support Needed

Our afternoon patrols are progressing nicely. We now have a team of 2 or 3 Street Pastors patrolling once a month. However, this is our Only Street Pastor team that doesn't have any dedicated Prayer Support Volunteers - and we'd love to have a few people praying while we patrol.

Here's the deal:

- ▶ Join us at our Wantage base or pray from home
- ▶ 1 afternoon each month - that's only 12 times in a year!
- ▶ Usually from 2.45 pm to 5.30 pm
- ▶ Sometimes from 11.45 am to 3.30 pm
- ▶ Answer the base phone, pray, read, chat
- ▶ Bring your knitting (or whatever) and have a coffee!

If you think you could help us, send us an email or give us a call for more information!

Thank you!

Trustee Goals for 2025

Each year our Management Committee sets goals to help focus our efforts and to ensure that we continue to serve our community well.

Here is a summary of our 2025 Committee Goals:

- ▶ Increase the number of volunteers, Street Pastors and Prayer Support Volunteers.
- ▶ Recruit Church Reps where we need them and re-empower those currently serving as Church Reps.
- ▶ Continue to grow our social media presence inc Street Pastor messages and Bible verses. Including adverts for recruitment of Street Pastors and Prayer Support Volunteers.
- ▶ Continue to develop daytime patrols.
- ▶ Secure £15 – 20k funding to cover our costs.
- ▶ Recruit a volunteer to help support fundraising efforts.
- ▶ Hold at least one fundraising event and one awareness-raising event in the Year.
- ▶ Complete the transition of WGSP to a Charitable Incorporated Organisation.
- ▶ Recruit a Trustee to help with Governance.
- ▶ Work with Statutory and Third Sector Agencies to help and support people in the Night Time Economy.

For more information about our goals, please do talk to a Trustee or send us an email.

Save the date!

Save the date? "What manner of exciting event is being planned?", I hear you cry!

Well, it's our 2025 AGM of course! But it's not just our AGM and we don't want you to miss out!

2025 AGM Tuesday 1 July, 7.30 pm
Venue and further details to be announced!

We continue to hold in our prayers all those who are in poor health or have other difficulties and problems. Thank you to everyone who helps in whatever way they are able to. Your support is very much appreciated.

WANTAGE

Getting to know the Rev Bruce Thompson

Whilst a few of us within the church know Bruce well, there are many who would not recognise him if he were to walk into the church on a Sunday morning. He will be our minister as of the beginning of September and so we are keen that the church has the opportunity to start to get to know him and vice versa. Hence, the first opportunity for this will be on **Thursday 29th May at 7.30 pm** in the church hall. This will be a very informal occasion and we hope many will be able to attend on that evening. We will ensure there is another opportunity to meet, with the acknowledgement that daytime is a better time of day for many. Watch this space!

Holy Habits

June marks the beginning of our next holy habit “**Making more disciples**” and as is our usual practice there will be 1 service per month during June, July and August where “Making more disciples” will be the theme of the day. The first of these will be led by Keith on Sunday 1st of June and details regarding books that can be read and the film we will watch will be shared in due course. We look forward to learning more about what it means to make more disciples and how this holy habit ties in with those that we have already shared.

Kids@Church

Jane, Dave, Cath and Keith

What a lovely morning we had in May! We learnt about Peter’s role in the early church then got crafty! We all brought something to share for breakfast (attempting to imitate the sharing which was clearly a key feature of the early church!) and enjoyed chatting and catching up over the table.

In June we will meet on 15th at 9.30am in the hall to discover what happened to Paul!

In July we will meet on 13th.

New families always welcome!

For more information about Kids@Church please contact Jane on 07443420205.

Church Council

Church Council will meet at 7:30pm on Wednesday 11th of June in the Hall. Reports or notice of items of business should reach Gill Skidmore by 4th June.

Result of Silent Auction for 2 charities in Guatemala (held on 10th May).

A huge, huge thank you to everyone who helped, donated or attended and bought items, £788.86 was raised. An incredible total and one I am so grateful for and I know that this will make a big impact on the two charities that I visited earlier in the year.

The month of June, preceded this year by the warm sunshine in May, usually provides us with so much to enjoy and celebrate within God's creation. Flora and fauna are flourishing, birdsong is at its sweetest during long midsummer days, and it seems that nature is presenting itself for our delight and appreciation. Alongside this, though, we are also aware of so much suffering in our world, generating both sadness and anxiety. The joys of creation are affirming and comforting. Being thankful for the natural beauty surrounding us is one way of reassuring ourselves that every one of us is precious in God's sight, and his love and care for us will last throughout every season and forever.

During our service on 11th May, Keith explained and launched our restructured pastoral system. Hopefully, everyone within our church family will feel cared for within a small group headed up by a member of the enlarged pastoral team. The new name for the people we used to call Pastoral Visitors is Pastoral Links. Whilst the emphasis will now concentrate less on visiting, the priority will continue to be that of care and support for each other. We hope that, as Pastoral Links, we will be sensitive to the absence from Church on Sundays of people in our group - not to check on their attendance judgementally, but to react with concern and kindness. If the absences are the consequences of ill health or other problems or difficulties, the role of the Pastoral Links will be, as always, to offer help. Prayer support immediately, alongside practical assistance, where appropriate and possible, will continue to be part of the response to most situations. We hope that the new system will be valued as much as the one it replaces, and that with God's help we will go on living out our faith in the way that we care for each other.

Since their retirement, Judith and Mike Skinner have been spending increasing amounts of time in Falmouth. They regularly attend the Baptist Church there, in which they now feel spiritually at home. They consider the time has come to transfer their membership to that church. They will be missed by us where their presence and service has been valued over many years. It was also a joy to have their daughters, Verena and Natalie, as part of our church family from babyhood to young adults. Our love and prayers go with them all, as we offer our thanks for their work and service with us.

We are delighted to have Joseph Zeesham worshipping with us. Joseph lives and works at St Katherine's Care Home. We welcome him into our church family and look forward to getting to know him better.

Concern, love and prayers continue for those whose health problems are making life difficult at present. Adrian Richens, Gill Morton and Pam Johnson have all spent much time at the JR and Churchill hospitals in recent weeks. Sue Haithwaite's and Val Broadbent's treatment is ongoing there too. We hold them in our thoughts, together with those who prefer not to be named, praying that God's strength, comfort and love will surround them all.

A Prayer for peace

Creator God, today in a fractured world we pray for peace and justice. Your peace, not built on our broken promises and failing courage, but your deep peace, through your creative power and embodied in the service and sacrifice of Jesus.

May we follow Christ, seeking your justice, acting in solidarity and hope, even when the way seems unclear and the powers of our world don't reflect Your Kingdom,

Your Peace, Your Justice, Your Kingdom, Your world, in Jesus name.
Amen.

Please pray for

Bible Study at Elmbrook Care Home

June Grunwald

This Bible Study is held at the care home on Grove Road. It is held on the second Monday of the month at 2.30pm, lasting between 30-45 mins. In May our theme was Psalm 23 (The good shepherd), a well loved Psalm in the group. On June 9 our theme will be Psalm 8 (How majestic is your name) ; on July 14 our theme will be Luke 10:38-41 (Martha and Mary); on August 11 our theme will be Luke 5:1-11 (The calling of the first disciples).

We have a core group from the care home who regularly attend and others drop in from time to time. Residents really appreciate people from our church joining in their study and we often enjoy fellowship with a cup of coffee in the Elmbrook lounge afterwards. My thanks to the regulars from our church who attend and to those who have been ferrying our church members to the sessions. In between bible studies I pop into Elmbrook on an irregular basis and have a chat with some of the Bible Study group and any other residents who would like a chat.

WMC Prayer WhatsApp group.

We have set up a prayer WhatsApp group so that we can share requests for prayers that can't wait until they appear in the weekly notices or the monthly newsletter. It would be so good if we could add others to this group which currently has 7 of us in it. Please let Helen Carter know if you would like to be involved in responding to urgent prayer requests. Thank you.

Prayer tree

Anyone can leave a prayer request on the tree. It is appreciated if a date is written on the tag somewhere. No tags are taken off the tree unless circumstances for the person or situation being prayed for change or the tree is full... Please take time to check the tree and choose someone or a situation to pray for or about. Also, if any of the prayer cards on the table feel relevant to you please do take one.

Church Flowers

Ann Barber

With thanks to those who have already kindly provided flowers this year, and in anticipation of offers for the remaining weeks, some explanation of the newly formatted signing up list will, hopefully, be helpful. A reduced number of volunteers necessitates a matching extension to the time the flowers remain in Church. We will aim for them to stay for two Sundays, which is a safe expectation during the colder parts of the year. When the weather is exceptionally warm, this may not be possible, and we will respond appropriately.

Thank you to everyone in the Flowers Team!

Prayer initiative by the Parish Church

On the **first Thursday of each month** at 8 pm, via Zoom, there will be a contemplative prayer time of up to an hour. Anyone is welcome to join in with this time and if you would like to know more, then please get in touch with Helen Carter who will put you in touch with the person organising these sessions. If you would prefer a face to face contemplative prayer time based on Julian of Norwich, then please let Helen Carter know.

Wantage Parish Bible Reading Book Club has come to an end.

Community Café

Carolyn Roche

Although May had two Bank Holidays, we were able to open every Monday. Many thanks to all the volunteers and cake makers who made this possible. We reach early summer and the month of June. We will be open from 9am to 12 noon each Monday and look forward to welcoming our regulars and occasional new visitors. There is no charge for refreshments, but people are welcome to make a donation which goes to a different charity each quarter. This month we will begin collecting for Wantage Methodist Church. We are very thankful for the hospitality and fellowship that it offers throughout the year.

Do come and join us for coffee, cake, cheese scones and conversation.

Knit & Chat

Carolyn Roche

Our meetings in June continue on the first and third Mondays of the month and will be on Monday 2nd June and Monday 16th June at 2pm in the Hall.

At this time of year, if the weather is very warm, we tend to end up with more chatting than knitting but it is good to get together. Looking forward to seeing you and your current project at our next meeting. If you need wool, have any other queries or just fancy a chat do please call me.

"Dear brothers and sisters, friends,

I am very grateful for your kindness remembering my 90th birthday through messages sent via Gloria and the warmly lovely video with some of you singing Feliz Cumpleaños, including Rev Keith! Thank you very much from the bottom of my heart. God bless you all"
